

AUBIA - WATER SUPPLY EQUIPMENT

AUBIA SELF-CLOSING TAPS 3/4" M

Aubia perfected a self closing tap specially realised for the emergency situations where drinking water is vital.

The taps has been designed to reduce the risk of contamination of potable water by the users' hands.

The Aubia self-closing tap has really good performance at a low pressure.

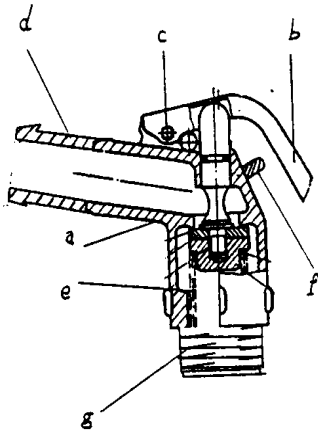

Self closing taps

High-Flow

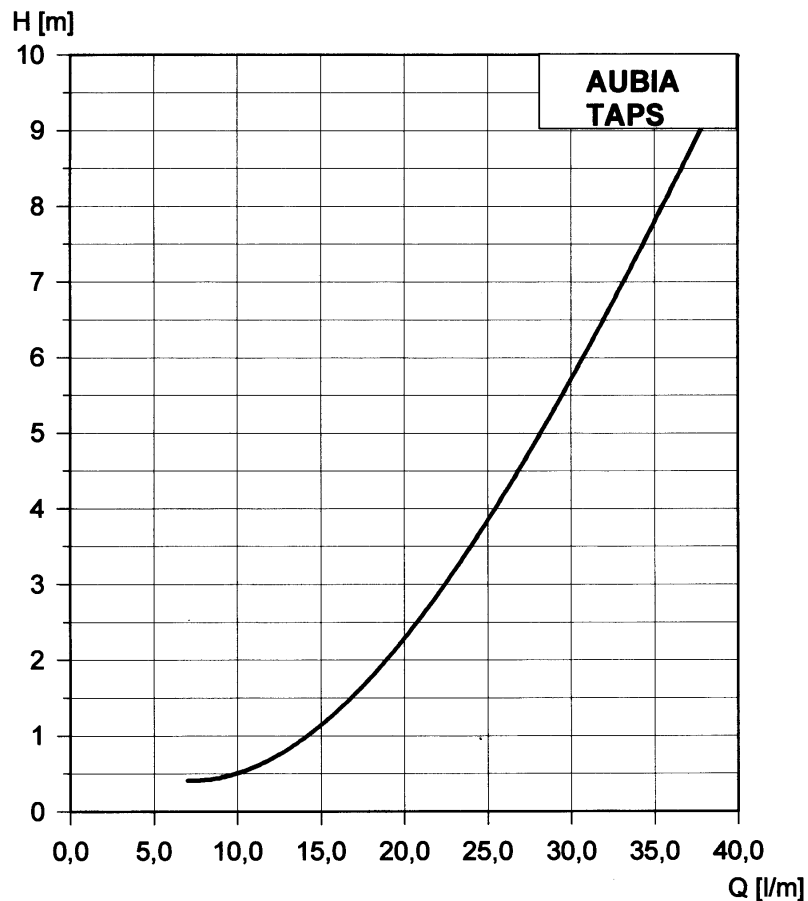

Strength

Less water waste

AUBIA SELF-CLOSING TAPS 3/4" M
